

EXTRAORDINARY VALUE IN FINE CABINETRY

prelude™

Prelude

Everything you need...
AN OPEN DOOR TO EVERYTHING YOU WANT

*The Intelligent
Choice in Cabinetry
for Every Room
in Your Home*

prelude embodies the Plato heritage of more than 120 years of fine woodworking experience. Inspired by the success of our *Plato Personalized Custom Cabinetry*, the Prelude line is manufactured with the same attention to detail—details often overlooked by others. The same hands that carefully handcraft Plato's premium Custom Series also build and finish Prelude cabinets.

Value engineering results in the highest quality cabinets at a more affordable price. Since Prelude has the same exterior appearance as Plato's full Custom line, you can easily and seamlessly integrate the two lines as desired for the best of both worlds!

Prelude drawers and adjustable sliding trays are $\frac{5}{8}$ " solid maple or birch sides with fully captured $\frac{3}{8}$ " maple plywood bottoms and furniture dovetail corners. Both drawers and trays use whisper-smooth, full extension, soft-close, concealed drawer slides. Concealed hinges also have a built-in soft-close feature.

Door: Anthem • **Insert Panel:** F1
Door Edge: K • **Drawer:** LX
Wood: Paint • **Finish:** Buttercream

SHOWN:

Door Style: Ridgewood

Color: White Dove

Standard natural maple
melamine interior
is easy to clean.

◀ Because Plato Woodwork builds the doors rather than purchasing them from an outside source, we have increased the opportunity for customization. Many door styles are available with a choice of flat, raised, or beadboard style center panels. Further customize your door with one of 6 unique edge treatments.

Custom hood and 12 lite door from Plato's Custom Series combine perfectly with Prelude.

Wide drawers can be configured to store spices, knives, or both.

Narrow pull-outs conveniently store spices and oils.

Trash and recycling in one pull-out.

THE PRELUDE ADVANTAGE

- Prelude features 13" deep wall cabinets and full depth adjustable base shelves for increased storage capacity.
- Prelude's dovetailed drawers and optional adjustable sliding trays are 5/8" thick solid birch or maple hardwood with a 3/8" maple plywood bottom captured on all four sides. Both roll silently and smoothly on 100 lb. capacity bottom mounted, full extension, soft close slides.
- Prelude hinges incorporate a soft close feature for a quieter kitchen experience.
- Prelude's narrow 1 1/4" face frame makes for wider drawers and more accessible storage.
- Prelude's interior is scratch-resistant, easy-to-clean commercial grade melamine.
- Prelude's durable, multi-step, catalyzed varnish finish is baked in infrared ovens for a satin smooth finishing touch.
- Prelude's Limited Lifetime Warranty is backed by a fifth-generation family owned company that takes pride in what they manufacture.
- Made in the USA
